

HIV and AIDS in Women and Children: A Contemporary Canadian Perspective

7:30 pm Tuesday November 27, 2007

Fellowship Hall

First Unitarian Congregation of Ottawa

30 Cleary Avenue

Near Richmond and Woodroffe

Learned about HIV/AIDS in the 80s?

What has changed?

Join us, as Dr. Claire Touchie and Dr. Lindy Samson give us a presentation about HIV/AIDS in today's world

Everyone welcome

Donations to the Stephen Lewis Foundation appreciated
No pre-registration required

Dr Claire Touchie is Assistant Professor, Department of Medicine, University of Ottawa, Division of Internal Medicine and Infectious Diseases, Ottawa General Hospital .
Dr. Lindy Samson is Chief, Division of Infectious Diseases, Children's Hospital of Eastern Ontario (CHEO).

Sponsored by GoGo for Grannies, the Lifespan Learning Council and the Our Whole Lives Facilitation Committee of the First Unitarian Congregation.

For more information contact:

Joan Turner 613-721-0791 or Wendy Doyle 613-824-7462.
